# PHYSICAL SECURITY

*Alaska Native Corporation | Small Disadvantaged Business*

Sugpiat Defense applies meticulous attention to detail toward vulnerability reduction against threat tactics, techniques, and procedures to offer the proper defense in depth strategy for your mission. From securing vital national security assets in the United States, to enabling sensitive missions overseas, we design and deliver discrete and proactive solutions to mitigate the full spectrum of threats.

We offer physical security controls that predict, prevent, detect, and respond to internal and external physical threats. Sugpiat Defense tailors physical security services to assist organizations with achieving defense in depth to protect sensitive data centers, facilities, property, and employees.

We specialize in SCIF accreditation consulting, ICD 705 compliance, biometric solutions, access control solutions, mobile and installation security, comprehensive threat and vulnerability assessments, active shooter countermeasures, physical penetration testing, and other all-hazards risk management services.

Regardless of the threat or mission, we can assist with your physical security needs.
